Dear Parents,

Every golfer would like to improve their game & their fitness levels. With this goal in mind, you select the proper equipment, practice and take advantage of the opportunity for improvement.

The Victoria Country Club will provide this opportunity for boys and girls between the ages of 5 and 16 by offering 4 different weeks from June 11th through July 26th.

The program will vary from day to day and will cover the setup, grip, swing, chipping, putting, sand game, club construction, club fitting, etiquette, rules & Golf Fitness.

We start by dealing with club selection and ball placement, shot making and game management will be stressed by actually going on the course in small groups with one of the instructors.

Instruction is based upon individual need with an emphasis on understanding the entire swing. With this type of knowledge, the pupil can have a lifetime of clarity rather than confusion about the golf swing.

The fee for each session is \$175 for Members and \$200 for Non-Members. This includes instruction, cap, shirt, refreshments and lunch on Friday!!

Sincerely Yours,
Joe Mitchell
PGA Director of Golf
